

Leading with Conversational Intelligence®

This program empowers leaders to elevate their communication skills, master the science of cultivating trust, and gain insight into recognizing and fostering sustainable and flourishing dynamics that lead to transformative results. To be a powerful and influential leader, you must have conversational intelligence.

Change your conversations — change your outcomes.

Facilitated by an International Coaching Federation and Conversational Intelligence® certified coach, the program consists of on-demand learning modules plus:

- Six 90-minute live ExperiMentor sessions, along with an orientation session
- Module Materials Guide and supplementary resources
- ExperiMentor Field Guide to apply learnings to actions
- Personal C-IQ Catalyst Tool® Self Report

Course Curriculum:

1. Understanding the Neurochemistry of Conversations
2. Regulating Conversations
3. Shifting Conversations
4. Priming Conversations for Trust
5. Navigating Challenging Conversations
6. Leading with Conversations

 Upon completion of the program, you will receive the official Conversational Intelligence® badge and 9 CPEs.
