

Build Authentic Relationships and Grow Your Professional Capabilities

FORUMS

The EWF Forums provide women leaders in cybersecurity, risk management, compliance, audit, and privacy professional growth opportunities and access to an expanded industry network. Women in every stage of their careers have the opportunity to learn, evolve, and collaborate with one another.

Choose Your Forum

The EWF offers a variety of forums for engagement and development at every level. Each forum hosts webinars, in-person and virtual networking events, peer-to-peer activities, and online groups and resources throughout the year.

Emerging Leaders Forum

For entry-level to mid-level women leaders looking to grow their leadership capabilities and hone their career path.

Ascending Leaders Forum

For mid-level women leaders looking to expand their leadership capacity, level-up their management skills, and take the next step in their career trajectory.

Senior Leaders Forum

For C+/- 1, 2-level women leaders looking to expand their network of senior executives, increase influence in their organizations, and tackle leadership and industry challenges.

BISO Leaders Forum

For women leaders in Business Information Security Officer (BISO) or BISO-like roles looking to accelerate the position within their organizations and build a network of other women focused on cybersecurity's collaboration with the business.

Get Engaged!

There are several ways to engage with the EWF Forums.

Forum Subscriber

Participate in webinars, networking activities, and online discussion groups throughout the year. Subscribers can suggest topics of interest and resources for the forum.

Forum Committee Member

Contribute to the creation and development of forum activities throughout the year in partnership with other committee members and chairs.

Forum Committee Chair

Spearhead the creation and development of forum activities in partnership with other committee chairs and members and serve as a Forum Ambassador throughout the year.

Take the next step in your career journey. Join an EWF Forum today!
