Connect with Women Leaders

Engage in a powerful community of women professionals in cybersecurity, risk, privacy, and related fields with an EWF membership.

Who We Are

Founded in 2002, the Executive Women's Forum (EWF), is the pioneering and premier membership organization for women in cybersecurity, risk management, privacy and related fields. The EWF is committed to empowering women globally to achieve their professional goals and personal dreams.

What We Do

Build Trusted Relationships

Whether you connect in person or virtually through the EWF CONNECT resource library, the EWF gives you the opportunity to develop relationships across industries and across the globe.

Provide Leadership Opportunities

The EWF is committed to developing and empowering women in all aspects of their lives.

Provide Access to Subject Matter Experts & Thought Leadership

Our members, some of the industry's most respected and sought after experts, openly share critical and relevant knowledge on issues that impact every organization.
