

The Leader Within

Invest in your leadership potential

The Leader Within helps professional women at all levels recognize and optimize their individual strengths, hone their authentic leadership presence, and confidently contribute to their organization—all while creating a community that fosters lifelong trusted relationships among industry women across the globe.

Strengthen leadership. Grow competencies. Accelerate success.

Learning Outcomes

- ◆ Recognize and amplify your individual leadership strengths and emotional intelligence through personalized assessments
- ◆ Elevate your skills with actionable plans for growth and career advancement
- ◆ Learn strengths to effectively lead teams and propel your organization forward
- ◆ Connect with successful women leaders to harness your professional network and growth strategies
- ◆ Develop resiliency skills to embrace the demands and challenges of today's digital world
- ◆ Make more impactful and higher-level contributions and deliverables as a core leader in your organization

Course Curriculum:

1. Establishing Your Leadership Vision
2. Identifying Your Individual Leadership Style
3. Optimizing Emotional and Social Intelligence
