

# Microlearning Workshops

*Focused learning. Confident leaders.*

EWF Microlearning Workshops are leadership development programs designed to build critical leadership capabilities through focused, high-impact learning experiences.

## Microlearning Workshops at a Glance

- ◆ Facilitated by an International Coaching Federation (ICF) certified coach.
- ◆ The primary focus is on acquiring new knowledge, reflective exercises, interactive learning, and peer connection.
- ◆ Simple, high-impact learning experiences that make leadership growth clear, practical, and achievable.
- ◆ Individual participants gain greater self-awareness and strengthen their leadership presence.
- ◆ Companies benefit from stronger leadership alignment and improved engagement.
